

Minutes

September 24, 2003 Meeting Minutes

After much conversation and catching-up after summer vacation, Gamma Alpha's first meeting was called to order at 5:00.

World Fellowship silent auction raised \$140. As suggested by the State World Fellowship Committee, we will sponsor Annah Molosiwa, a student from Botswana, during the month of February. Our members will send cards and well wishes for Annah and her two daughters. Our chapter World Fellowship committee will also send a gift certificate during the month.

Judy Kolassa asked people who were interested in taking a leadership role to contact her. She and her committee present the slate of officers to the executive board in December. Installation of new officers will be at the Birthday Dinner.

Anyone interested in doing the newsletter for the next biennium, let Judy know.

There was discussion concerning the warehousing and maintenance of Gamma Alpha Historian scrapbooks. Sherry Green has them but would like to not have them. At this point, there is no resolution. HELP!

The Build-a-Bear meeting in January at Twelve Oaks mall should cost members approximately \$15-25. No decision has been made where we will eat as yet.

Cindy Dietz presented the budget.

Jackie Smart announced that the Metro Council luncheon would be on May 22. Judi Fisher is helping to secure a place on our side of town.

Carol Holland is selling pins for Friends of the Northville District Library.

Respectfully submitted, Jackie Smart for Chris Smith Recording Secretary
