REMC TOUR in JANUARY

In January, our chapter was taken on a tour of REMC at Dickenson. This facility is amazing. Anything you have ever wanted to make, label, laminate, or copy can be handled at this center. It is available to all of us in Gamma Alpha. We can go at our convenience or attend scheduled workshops. Some of the machines do require a reservation for use, so you might want to call ahead.

** Leadership Conference on March 26th

A second seminar has been planned for March 26th at Mercy College from 9 to 4 p.m.. Call Joan as soon as possible if you would like to attend.

** Northeast Regional Conference in July

Check your February issue of the Delta Kappa News for the details on the conference in Toronto. Would you like to go?

** LOST!!

One large, red Chapter Scrapebook has been misplaced. It is smaller than a dishwasher but, bigger than a breadbox. Where is it? We'd better start our Spring Cleaning (yuck) early. Let Sherry know if you have it.

DID YOU KNOW????????????????

Fran thinks being Program Chairman is an easy job this year. She wants to do it again next year!!!

Sherry and Mary Ann are expecting. So----even though your editors are still losing weight, Gamma Alpha will be weighing the same!

CHAPTER WOMEN OF DISTINCTION

Please vote on this ballot. Bring it March 12th or mail it to Carol Holland.

MEMBER OF THE MONTH ----- Meet Abby Roche

This reporter found it difficult to track down Abby. Had it not been for sickness, Abby wouldn't have been home. Hope you are feeling better.

Our featured member is a charter member of Gamma Alpha. She held the office of treasurer but remembers that everyone pitched in those early days, since there were so few members. She has had a taste of several committees.

Abby received her bachelors degree from Michigan State University and her Masters from Eastern. She had the opportunity to study Literature of the Industrial Revolution at the University of Birmingham, England during the summer of 1964 as part of the Master's program at Eastern.

Presently the Learning Consultant at the Taft-Galloway Elementary School in Wayne-Westland, Abby also taught at the Edison Institute school in Greenfield Village before going to Dearborn Heights and then to Wayne-Westland.

Her hobbies are many and varied and include painting in oil, quilting (she just took a class) needlepoint, cross stitch, bridge and antiques. She has given antique lectures on historical statuary and plates. In addition, she has traveled in just about every country in Europe. Abby, when do you find time to work?

A native of Michigan, Abby was born in Marshall and has lived most of her life in Dearborn Heights. Right now she hopes to live out the lay-offs but is thinking about job retraining in Hotel Management. Abby loves working with people and really doesn't want to have to leave education.
