"Membership Growth-----You Can Make It Happen."

We are well on our way towards attaining the State goal. Six prospective members have been invited to our February Orientation meeting. They all possess the high qualities of character and professionalism we want to promote as Delta Kappa Gamma members. Four candidates are from the Wayne-Westland area and two from Livonia. These prospective members are involved in education at a variety of levels; elementary and secondary, general and special education, and media specialist. If they join, Gamma Alpha chapter will attain the cross section of members encouraged by Alpha Iota State.

Thank you for your excellent recommendations.

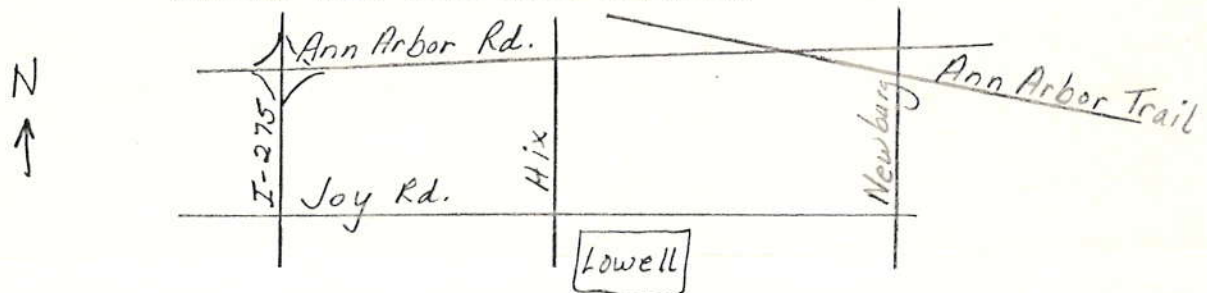

Attention Committee Heads:

Your committee reports are due in the state office by February 1, 1984.

DID YOU KNOW????????????????

Barb skied up North during the vacation and never met another
DKG sister on the trail. Maybe her pin wasn't showing!!

Carol enjoyed May in December again this year.

Evelyn did not buy all the food this year at our auction.

ARE YOU STILL KEEPING YOUR NEW YEAR'S RESOLUTIONS????????

NOVEMBER AUCTION

Again it was a resounding success \$813.75 !! We are very talented members to create items that other members will purchase. Or is it that we are big spenders! Either way it was an enjoyable, profitable evening.

JANUARY SEMINAR

Ken Johnson of Redford Day Treatment Center spoke on assertive discipline with children. Children must realize that negative behaviors will precipitate specific punishments. After classroom rules are established, then an hierarchy of disciplines should be clearly outlined for the children. As the punishments increase in intensity, the principal and parents should be involved.

See you in February,

Carol and Barb
